Arnold Fastening Systems Inc.  
1873 Rochester Industrial Court  
Rochester Hills, MI 48309

To Whom It May Concern:

This letter confirms that Arnold Fastening Systems Inc. has successfully completed the required ISO 9001:2015 Recertification Audit & ISO 14001:2015 Surveillance Audit. The combined audit was completed by Lead Auditor – Amy Steerzer on September 22-24, 2020. This audit was delayed from June due to the COVID19 pandemic and an extension was granted to Arnold Fastening Systems Inc. for the 9001 certificate keeping the current certificate valid until 10/11/2020.

The audit package containing recommendation for Recertification to the ISO 9001:2015 standard & continued certification to the ISO 14001:2015 standard has been submitted to our Certification Body. The package is currently under review. Upon successful completion of this process, Arnold Fastening Systems Inc. will receive their new 3-year accredited ISO 9001:2015 certification (14001 remains valid until 7/1/2022).

If there are any questions regarding the certification status of Arnold Fastening Systems Inc., please contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'Laurie Pucciarella'.
